

CALL FOR PROJECTS

MEDIENKUNSTFONDS AND MEDIENKUNSTFELLOWS

With the Media Art Fund and Media Art Fellows funding programs, the Ministry of Culture and Science of the State of North Rhine-Westphalia enables new cooperative media art & digital culture projects by institutions and independent initiatives in NRW.

Developed in cooperation with the [medienwerk.nrw](https://www.medienwerk.nrw) network and supervised by the [medienwerk.nrw](https://www.medienwerk.nrw) office.

THE CALL FOR PROJECTS IS AIMED AT:

Institutions and initiatives, alliances and collectives, places and spaces of media art & digital culture whose projects deal with technological and media change and its effects on society.

We understand media art as an interdisciplinary artistic field - submissions from e.g. visual arts, film, music, performance, theater and cultural education to newer media forms such as virtual reality and hybrid spaces are also very welcome.

Applicants can submit their project under one of two funding programs, depending on their objectives:

MEDIENKUNSTFONDS

2 + X Institutions or independent initiatives based in NRW jointly develop a cooperation project in the field of art, technology and society (e.g. artistic productions, collaborations for dialog and exchange, archive work; possible formats are exhibitions, performances, workshops, screenings, discourse events), performances, discourse events).

MEDIENKUNSTFELLOWS

1 institution or independent initiative in NRW + 1 Fellow from outside NRW jointly develop a research project in the field of art, technology and society (e.g. with an expert from the fields of curatorial practice, media art, activism, research, journalism as Fellow).

APPLICATION DEADLINE FOR BOTH PROGRAMS: March 31st 2025
